**Subject:** Dredging Report

Good afternoon, Gary and Valmichael,

I'm trying to locate a report on the impact of dredging on the San Jacinto River Waste Pits prepared by Anchor QEA dated December 2011. I have searched my files but have been unable to find it. Might you have this report or might you be able to direct me where I can find it? Thanks for your help.

Also, Gary, we will have no additional comments on the Draft Feasibility Study Report (in response to Addendum issued by PRPs). Thanks again.
